♥ Deliver instruction that's as differentiated as your students

- Use 25+ accessibility features, including Read Aloud, Translation, Dyslexia Font, and more, to reduce student barriers to learning.

- Assign unique accommodations to a student (or a group of students) to create differentiated versions of the same resource.

Accommodations

1 Select Students

2 Choose Accomodations

Extra Time | Translate

Dyslexia Font | Read aloud

📊 Get results with actionable data

- Access real-time feedback on student performance with detailed student-level and class-level reporting.

- Learn where students are struggling to tailor your instruction.
