

Improve confidence and performance at work
with personalized strategies for success

Decades of research shows that individuals learn best in different ways and by engaging all their senses. Show them how to understand their learning styles and productivity preferences to maximize efficiency and effectiveness. Build learning skills and personal satisfaction with the individualized strategies for improvement found in the engaging and interactive report. Professionals can track progress, view and manage personal information, access detailed reporting and find support within *TruTalent Professional Tools*.

The *TruTalent[®] Learning & Productivity* online assessment takes 20 minutes or less to complete. Easily see the resulting composition of all, or a subset of, individuals with aggregate reporting and filters. Best of all, it's affordable, easy to use, requires no special credentials and includes excellent customer support!

- Discover each individual's traditional sensory learning style, environmental and mindset productivity preferences
- See strategies to learn and work with greater success in any environment
- Receive detailed guidance on how to help people better understand themselves and use that insight to their advantage
- Easy to understand, interactive report includes badges earned as individuals read and interact with the report
- Access online at any time, from anywhere, using any device

Sophisticated, yet simple

- 4 Sensory preferences (traditional learning styles) – visual, auditory, kinesthetic, tactile
- 7 Environmental preferences – temperature, setting, sound, light, intake, time of day, mobility
- 5 Mindset preferences – motivation, focus, collaborative/independent, authority figure motivated, structure
- Individuals earn badges and pins by reading sections, selecting items that are most applicable and trying recommendations
- Interactive, easy-to-read reports contain specific, actionable tips
- Available online, any time, from anywhere, on any device – no app download or installation necessary

Easily manageable
